Re (1): This entails a personal consultation of approximately 90 minutes’ duration and a recording of the session (optional). No computerized reports of any kind are involved – all my work is personalized.

Re (2): Relationship astrology requires the data and presence of both parties – usually a married couple.

Re (3): An additional SGD 75.- should be added if you wish to have the Babyscope delivered in a beautiful binder with space for your own notes, photographs, etc.

Re (4): Electional astrology is a technique applied to best choose a proper time and place for a new venture of any kind (marriage, moving house, start of a new business, etc.)

Re (5): Horary astrology is a discipline concerned with answering very specific questions along the line of: where have I misplaced my car keys? – will I move house this year? – is now the time to get a new job? – Do I meet Mr./Ms right this month/year? etc. It is a very powerful tool with amazing potential. The only condition is that the question is asked in honesty and good faith – and that the enquirer is prepared for the answer! The answer is sent via email.

Re (6): Home parties can be arranged based on individual wishes. As a starting point the price will be SGD 50.- per participant provided a minimum of 6 participants. The concept is built around a short presentation (30-45 minutes) of the basic elements in Western astrology followed by “readings” of some or all of the participants’ charts. This will require that exact birth times of the participants who wish to have their charts “read” in semi-public have been forwarded to me beforehand. The most sensitive issues will be avoided and needless to say these “readings” cannot be compared with a proper personal consultation. A home party is merely an appetizer.

For **recurring clients** an individual price will be quoted based on frequency of consultations and number of issues to be addressed.
